

# Welcome to the Worlds of Dream Pod 9!

Get ready to discover some of the most exciting roleplaying games available on the market today! Dream Pod 9 is a proud Canadian publisher of four game lines, each one designed to transport you to a whole new world:

**Heavy Gear®: A New Era Has Just Begun!™** Far-flung colony worlds fight to keep themselves together, as Earth's government's aggressive invasions destroy any hope of peace. After a decade of détente, two superpowers face off across a vast desert: piloting armored walking machines known as Heavy Gears, soldiers battle for their lives and their futures. This fantastic game universe has generated two fast-paced computer games by Activision® and is soon to be an animated television show, coming in Spring 2001, from Sony Pictures Family Entertainment!

"Heavy Gear is one of the best games available. Get it now..."  
- David Paul, rpg.net

**Jovian Chronicles™: Enter The Solar System of the 23<sup>rd</sup> Century!™** Human colonies have spread out across the Solar System, watching Earth tear itself apart in civil wars from the safety of space. Decades later, treachery and betrayal bring Earth's fleets to strike at the citizens of the mighty Jovian states, and a cold war begins...

"Jovian Chronicles is a great game, a great read, and I recommend it... to any gamer at all!"  
- Trent Di Renna, rpg.net

**Tribe 8™: The Past is Dead. Your Future Begins Now.™** The lives we live today have been wiped away, utterly destroyed by the arrival of beings from beyond our comprehension. Victory was finally won, but at what cost? Join the Children of Prophecy, the outcast Eighth Tribe, as they struggle to rebuild their shattered world.

"Tribe 8 is nothing short of fantastic."  
- Robert E. Allen III, rpg.net

**Gear Krieg™: Two-Fisted Pulp Superscience in a World at War!™** In a world that could have been, war walkers stride across the battlefields of Europe, huge supertanks thunder over Africa and rocket fighters duel high over the Pacific. Powered by advanced science, will the darkness of fascism spread across the world, or can brave men and women prevent it? An alternate reality WWII game universe like none you've ever seen before!
